Definitions

For Voluntary Aided, Foundation, Free Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as below, except where individual arrangements spell out a different definition.

Distance

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance. Explanations of these terms can be found in the main booklet.

Parents/Family Members

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

Medical/Social/Welfare

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the accompanying admissions booklet.

Looked After Children

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

*A '*looked after child' *(1)* or a child who was previously looked after but immediately after being looked after became subject to an adoption*(2)* child arrangements order (residency order) *(3)* or special guardianship order *(4) .*

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Information about Admission to Secondary Schools in Preston, South Ribble, West Lancashire and Chorley

This information is about secondary schools in Preston, South Ribble, West Lancashire and Chorley. Similar information about other areas is available from Area Education Offices listed on the first page of the booklet "Secondary School Admissions in Lancashire – Information for Parents". It is possible for you to state a preference for schools in different areas. You should, however, only submit one application form.

In this information, you will find brief details about each school including the admission number. This is the number of children who can be offered a place at the school in September 2019. Further information you may need is available if you contact either the school concerned or the Area Education Office.

Information provided about each school

You are given the basic details about each school – name, address, Headteacher's name etc, plus the total number of pupils who attend. You will be particularly interested in the number of places available for September 2019 – **the admission number.**

For Community and Voluntary Controlled Schools, there is additional information given below the main school details. This refers to the intake of pupils in September 2018. On the left-hand side, it states the number of places that were available for that year (i.e. the admission number) and the number of preferences that were received for the school.

For Voluntary Aided, Foundation, Free Schools and Academies similar information is given about the number of preferences expressed. You are also given some details of the admissions policy. This is individual to each school. Details about how the criteria were applied can be requested from the individual school.

For Voluntary Aided, Foundation, Free Schools and Academies please note that this booklet contains summaries of the policies only. You must approach the school for a copy of their full policy if you are thinking of applying.

Please note that for secondary schools in Lancashire's co-ordinated admission scheme, information is given about preferences expressed for 2018. Given the variety of Admission Authorities involved and additional schools outside the co-ordinated system, the figures may need further interpretation for individual schools.

Parents for whom the previous level of application is an important issue are advised to discuss the matter with the Admissions Team at the Area Education Office or with the individual school concerned.

CONFIRMATION OF OFFERS

For September 2019, offers will be confirmed online only for all those who apply on Lancashire's online system (this was around 95% of applicants for the previous year). For those who do not receive a first preference offer, links to reserve list and appeal forms will be available.

Lancashire's online system will go live on morning of 1 March 2019 to allow online applicants to view their school offer.

Letters will be issued by second class post on 1 March 2018 to any applicants who submit a paper form.

Apply online at www.lancashire.gov.uk/schools

Admission Policy & Criteria for Community and Voluntary Controlled Schools in Preston, South Ribble, West Lancashire & Chorley Districts

(This can also apply to schools that are in transition to Academy status)

An admission number will be published showing the maximum number of pupils that the school will admit in the Autumn Term 2019. Parents are given the opportunity to express three preferences for a secondary school. Published criteria are used to decide which children should be offered the available places. In secondary schools an equal preference system operates, whereby the three parental preferences are given equal status. Each preference will be considered equally against the admissions criteria.

When a secondary school is oversubscribed the following priorities apply in order:

1. Looked after children and those who have been previously looked after, (see note (x) below), then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned. (See note (i) below) then
3. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start, (see note iii below).
4. Children living within the school's geographical priority area, then
5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start (See note (iii) below) then
6. Children living outside the school's geographical priority area (see note (iv) below.

Notes

(i) The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without a statement who have special needs.

(ii) As required by law, all children with a Statement of Special Educational Needs/EHC naming a school will be admitted before the application of the over-subscription criteria. Children who have a statement for special needs have their applications considered separately.

(iii) Brothers and sisters includes step children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration may be given to applying this criterion to full brothers and sisters who reside at different addresses). The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16+.

(iv) The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (eg twins or same block of flats) places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

(v) A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, (including after a child has accessed a school place).

(vi) The Local Authority will keep waiting lists for all Lancashire schools until 31 August 2019. These are kept in priority order using the school's published admission criteria. From 1 September 2019 for one school term only waiting lists will be retained by individual admission authorities (the Local authority for community and voluntary controlled schools and individual voluntary aided and trust schools will each retain their own list).

(vii) Children will not normally be able to start school other than at the beginning of the term unless they have moved into the area or there are exceptional circumstances.

(viii) Applications for school places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.

Application forms received after the published closing date, will only be considered at that time if the following conditions apply:

(a) if the number of preferences received for the school is below the published admission number or:

(b) there are extenuating circumstances justifying a late application.

These may include:

(a) parents moving into the County after the closing date;

(b) parent/carer illness which required hospitalisation for the major part of the period between the publication of the composite prospectus and the closing date for applications.

(ix) Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

(x) the highest priority **must** be given to looked after children[1] and children who were looked after, but ceased to be so because they were adopted[2] (or became subject to a residence order[3] or special guardianship order[4]). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after. This includes children who are legally adopted from overseas. Relevant legal documents must be provided to evidence the adoption.

The Authority has a duty to co-ordinate admission arrangements for all Lancashire maintained schools.
The Authority will ensure that all Lancashire parents whose children are transferring to reception or Year 7 classes, receive the offer of one secondary or primary school place on the agreed date.

[1] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
[2] Under the terms of the Adoption and Children Act 2002. See section 46 (adoption orders).
[3] Under the terms of the Children Act 1989. See section 8 which defines a 'residence order' as an order settling the arrangements to be made as to the person with whom the child is to live.
[4] See section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

SUMMARY OF POLICY ▼

In the event that there are more applicants than places, after admitting all children with a statement of educational need naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. Looked after children and previously looked after children.
2. Children with special medical or social circumstances affecting the child **where these needs can only be met at this school.**

   Professional supporting evidence from, for example, a doctor, psychologist, or social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.

   Thereafter, preference will be given to the admission of
3. Children of staff who have been employed by Archbishop Temple School for two years prior to the closing date for applications. This applies to all staff, full and part time, who are employed by the school.
4. A maximum of 105 children in the following priority order:

   a. Children who have a parent/carer who has attended public worship in a Christian church weekly/fortnightly for the year leading up to the 1st September 2018.

   b. Children who have a parent/carer who has attended public worship in a Christian church monthly for the year leading up to the 1st September 2018..

   c. Children who have a parent/carer who has attended public worship in a Christian church monthly for six months leading up to the 1st September 2018.
5. A maximum of 40 children who attend Broughton-in-Amounderness CEP, Fulwood St Peter's CEP or St Andrew's CEP. Where there are more applicants than the available places within this category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones.
6. A maximum of 10 children who have, or who have a parent/carer who has, attended public worship in a non-Christian faith in membership of the UK Interfaith Network. Applicants in this category will be ranked by distance from the school and then by the following faith groups: Muslims, Hindus, Sikhs, and "Other non-Christian faiths". Places will be allocated successively to a Muslim, a Hindu, a Sikh, a member of another non-Christian Faith, in successive rounds until all the available places in this category are allocated.

For applicants in categories 4 and 6 the governors will request confirmation of attendance from a relevant member of the clergy or church officer or worship leader.

7. Remaining places shall be allocated to other children whose parents/carers wish them to attend the school with the determining factor being distance from school, nearer addresses having priority over more distant ones.

Where there are more applicants than the available places within any of the categories, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

[Continued on next page]

Note

For the avoidance of doubt, matters which the Governors do not take into account in the allocation of places include the following:

a) Attendance at church as part of normal school activity.
b) Whether a child is confirmed or being prepared for confirmation.
c) Whether a child is baptised.
d) Academic abilities.
e) Presence of a sibling in the school.

The **major world faiths** are those in membership of the UK Interfaith Network; they include Buddhists, Baha'is, Hindus, Jains, Jews, Muslims, Sikhs, and Zoroastrians.

The faith groups listed in category 6 reflect their representation in Preston City as determined by the 2011 Census. The intention of the governors is to achieve diversity, not proportionality.

Parents in any doubt over the distance between home and school for the provision of transport are asked to check with their local Area Education Office. This may be particularly relevant if you live close to a county border.

SUMMARY OF POLICY ▼

1. Looked after and previously looked after Muslim girls (girls in public care).
2. Girls with a sister attending the school at the time when they will take up a place.
3. Special Medical or Social circumstances affecting the girl, which are directly relevant to attendance at PMGHS. Professional supporting evidence (from e.g. a doctor, psychologist or social worker) is essential if admission is to be made under this section. This evidence should set out the reason why PMGHS is the most suitable school and the difficulties that would be caused if the child had to attend another school.
4. Muslim girls living in the city of Preston who themselves or their parents attend one of the Mosques named below (places to be allocated proportionally, as indicated, to attendees of each Mosque).

Quwwatul Islam Mosque, Peel Hall St. Deepdale **19 spaces**	**Maahadus Shuhada, Deepdale Rd, Deepdale** **6 spaces**	**Mosque Falah, Kent St, Deepdale** **6 spaces**	**Noor Hall, St. Pauls Rd, Deepdale** **6 spaces**	**Raza Mosque, St. Pauls Rd, Deepdale** **4 spaces**	**Mosque Salaam, Watling Street Rd, Fulwood** **9 spaces**	**Al-Huda Masjid, Avenham** **5 spaces**

5. Other looked after and previously looked after girls (in public care).
6. Girls of other faiths who show written evidence of commitment to that faith.
7. All other girls.

Tie Break
Random selection will apply as stated above to the % of places allocated for each Mosque. Where there are more applicants for the available places within categories 5, 6 and 7, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Eden Boys' School, Preston is part of the Star Academies. The Trust has devolved responsibility for admissions to the Local Governing Body of Eden Boys' School.

Eden Boys' School is an 11-18 progressive and inclusive Muslim faith school rated as 'outstanding' by ofsted.

SUMMARY OF POLICY ▼

Oversubscription criteria

1. Looked after boys or a boy who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order.

2. Sons of staff employed at Eden Boys' School, Preston for 2 or more years at the time at which the application for admission is made, and / or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage.

3. Boys with a sibling who is a pupil already attending Eden Boys' School, at the time of both application and admission.

4. Boys for whom the Governing Body accepts that they have proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at Eden Boys' School, Preston.

   Parents must provide the professional supporting evidence from e.g. a consultant, doctor, psychologist, social worker or from another professional. A place will only be offered, if the Governing Body accepts the view of the professional, which confirms that the existing medical or social difficulties will be exacerbated if admission is not offered at Eden Boys' School, Preston.

5. All other boys who live nearest from home to Eden Boys' School, Preston.

Tie-breaker

If any criteria are oversubscribed, then priority is given to those boys who live nearest from home to school. The distance is measured in a straight line using Lancashire County Council's computerised mapping system. This will measure distance from home to school, centre of the building to the centre of building.

If the distance between the boys' homes and the school is the same, which includes the same geographical property reference (such as a block of flats), then random allocation is used as a tie-breaker. Lancashire County Council's School Admissions Team will undertake the random allocation process in the presence of a school representative at the Council Offices.

This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

A map showing the boundaries is available in school.

SUMMARY OF POLICY ▼

The criteria will be applied in the order in which they are set out below:

1) Looked after children and children who were previously looked after and ceased to be so because they were adopted (or became subject to a special guardianship order)

2) Children with proven and exceptional medical, special educational or social needs which are directly relevant to the school. The application must be supported by written specific appropriate professional advice (letter from doctor or social worker) as to why admission to Tarleton Academy is necessary. It is the responsibility of parents to show that it is essential for the child to attend Tarleton Academy rather than any other school.

3) Siblings of children who will be attending Tarleton Academy on the date when the applicant would be admitted. Only one address can be used for school admission purposes. This is defined by Tarleton Academy as the home in which the child lives for most of the school week.

4) Any other applicants.

Tie-break.

Where there are more applicants received than places available under any of the above criteria then the distance between the school and the home (as defined above in criterion no 3) will be used as the final determining factor. The distance criterion is a straight line (radial) measured centre of building to centre of building. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s) as an effective, clear and fair tie breaker. In the case of the point within school, this will be the centre of the administration building which houses the General Office and Main Hall.

SUMMARY OF POLICY ▼

THE CRITERIA FOR ADMISSION

These Criteria are given in priority order and will be applied to those parents of children who indicate that the school is a **PREFERENCE** for their child, as the school is required to operate a system of equal preferences. In the event of there being over-subscription for entry to the school and if a tie-break is required within any criterion, then the Local Authority's system for a random draw will decide which student receives an offer of a place.

1 Looked After Children
Priority must be given to children in public care. This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

2 Children with Special Medical or Social Circumstances. Children with special medical or social circumstances affecting the child where these needs can only be met at this Academy (Note: Professional supporting evidence from e.g. a doctor; psychologist; social worker; is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the Academy in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.)

3 Children who RESIDE in the Foundation Parishes of Bretherton, Croston, Eccleston, Mawdesley with Bispham and Wrightington with Heskin, with parents meeting faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy which is one-third of the total places (currently 63 of 190 places). At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

4 Children who RESIDE in the Named Parishes of Appley Bridge, Banks, Douglas in Parbold, Hesketh with Becconsall, Hoole, Leyland St James, Rufford and Tarleton with parents meeting faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy, to fill the balance of one-third of the places allocated of the total intake numbers which have not been filled from criterion 3. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

5 Children with a parent employed by the Academy on a permanent contract either full or part-time for at least 2 years prior to the date of application.

6 Children who have other *siblings* attending the school at the time of application **and** on the date of admission.

7 Children who RESIDE in the Foundation Parishes of Bretherton, Croston, Eccleston, Mawdesley with Bispham and Wrightington with Heskin, with parents meeting faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy who cannot attain a place under 3 because the criteria of one-third of places allocated according to faith commitment has already been allocated. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

8 Children who RESIDE in the Foundation Parishes of Bretherton, Croston, Eccleston, Mawdesley with Bispham and Wrightington with Heskin, with parents who do not meet the faith commitment outlined in Appendix 1 section 2.5 of the Admission Policy. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

9 Children who RESIDE in the Named Parishes of Appley Bridge, Banks, Douglas in Parbold, Hesketh with Becconsall, Hoole, Leyland St James, Rufford and Tarleton with parents meeting faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy who cannot attain a place under 4 because the criteria of one-third of places allocated according to faith commitment has already been allocated. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

10 Children who RESIDE in the Named Parishes of Appley Bridge, Banks, Douglas in Parbold, Hesketh with Becconsall, Hoole, Leyland St James, Rufford and Tarleton with parents who do not meet the faith commitment outlined in Appendix 1 section 2.5 of the Admission Policy. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

11 Children who RESIDE in other parishes with parents meeting faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

12 Children who RESIDE in other parishes with parents who do not meet the faith commitment as outlined in Appendix 1 section 2.5 of the Admission Policy. At the point of oversubscription within this criterion, places will be offered in rank order of distance from the school to the home address as determined in the tie-breaker.

TIE-BREAKER

Distance will be measured using a computerised measuring system from the address point of the Academy to the address point of the child's home. This is the Local Authority system and is a straight line (radial) measure. ***Where there are more applicants for the available places within a criterion, then the distance between the Ordnance Survey address points for the Academy and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).***

A yellow Supplementary Form for Admission is available from the Academy and you need to return this to Bishop Rawstorne Church of England Academy by no later than Wednesday 31 October 2018.

Parents in any doubt over the distance between home and school for the provision of transport are asked to check with their local Area Education Office. This may be particularly relevant if you live close to a county border.

HOME TO SCHOOL TRANSPORT - see also section 4 of the main booklet

If the cost of getting your child from home to school and back is a consideration or concern in making your school preferences, please check the Home to School Transport Policy carefully or discuss your child's possible entitlement with the Area Pupil Access Team.

In September 2019, free school transport will be provided as follows:

General Policy

To qualify for free home to school transport, children of compulsory school age are required to attend the nearest suitable school, where the home to school distance (based on the child's address) using the shortest route is over 2 miles for children up to the age of 8 years. At the start of the academic year, after the child's 8th birthday, a reassessment will take place as children 8 years and over will only qualify for transport assistance if the shortest route is over 3 miles.

For Lancashire families, schools outside of their GPA (Geographical Priority Area) and those in other Local Authorities and districts will be considered when assessing eligibility for assistance for transport to school.

For those pupils attending faith schools, the Council previously granted partial assistance with travel costs if the pupil attended the nearest school of their faith. From September 2018 transport assistance will **only be** available if a pupil attends their nearest school or academy and meets the distance criteria. The parental contribution for 2018/19 is £615.00.

Please note; if parents decide to send their child to a school that is not their nearest suitable school, then they will responsible for the cost of transporting their child to that school/academy.

The basis for payment of travelling expenses

From September 2018, the County Council removed the discretionary element of the Home to School Transport policy and so there is no longer any denominational transport assistance available for new pupils starting at either primary or secondary schools in September 2019, unless the family meet the low income criteria (see below).

(Transport Assistance will still be provided for existing pupils as it has been agreed that the changes in policy are phased-in so that children who started school under one set of transport arrangements continue to benefit from them until they either conclude their education at the school, choose to move to another school or move home address.)

National Extended Rights Policy (Low Income)

If your child does not qualify for transport under the general policy (above), a national policy provides extended rights to children who are eligible for free school meals or whose parents receive the maximum level of Working Tax Credit (WTC) i.e. reduction to the income must be £0.00 on your award notice. This policy provides transport for:

Primary Children – age 8 but under 11 years, transport will be provided to the nearest suitable school where that school is more than 2 miles from the child's home.

Secondary Children – transport to one of the 3 nearest suitable qualifying schools where the school is more than 2 but less than 6 miles from the child's home OR transport to the nearest suitable secondary school preferred because of your religion or belief for children whose parents adhere to that particular faith, if the school is between 2 and 15 miles from home.

Concessionary Travel

If your child is not eligible for free travel you may be able to purchase a season ticket if there are spare places on a school transport service. Please contact the School Traveline for advice on 0300 123 6738.

In some cases it may be more cost effective for your child to travel on a public bus service and purchase a discounted period travel ticket direct from the bus operator.

You are strongly advised to visit our website for up to date information on the provision of any home to school transport or contact the Area Pupil Access Team (see contact details on page 1 for your nearest office).

For full details of the policy and general principles applying to free school transport please see our website www.lancashire.gov.uk/schools

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 1 March 2019 to find out the school we have offered your child.

You should also receive an automated email alert on 1 March confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your email server has delayed the delivery of the email or sent it to your span or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 1 March 2019.

Unfortunately, offer information cannot be given out by phone.
