

Well done to all the Year 5 and Year 6 children. Their performance of "Shakespeare Rocks" was great. A big thank you to Miss Baker and Miss Garwood for all their hard work preparing the children for the show.

The Year 6 children all enjoyed the leaver's meal at the Bowling Green on Tuesday night. It was an enjoyable night, the sun shone and the staff commented on the children's excellent behaviour. Year 6 have worked extremely hard this year and throughout all their time here with us at Gillibrand. We will miss you all. Good luck at High School.

Staffing

Mrs Kelly is leaving after 16 years as a teaching assistant at Gillibrand. We all wish her well in the future. We will miss her. We welcome some new staff in September

KS2 News

Key Stage Two have had an action-packed end to this academic year. It's been non-stop this month. All the classes have been out on a trip, linking to either science or geography. Year 6 children also visited Chorley Magistrate's Court and some local magistrates came and spoke to Year 5. To end the term, an outdoor day was held. The children got to take part in 4 different activities; den building, gardening, an obstacle course and a climbing wall. Every single child had a go on the climbing wall. It was wonderful to see them all persevere, and some overcome their fears. It was a fantastic day and one the children will remember for a long time!

KS1 News

KS1 had a great afternoon celebrating their learning in music with parents and carers. The children sang beautifully and everyone (including adults) joined in with the songs! It was a great turnout and a great end of year celebration. All the children have also enjoyed two days in their new classrooms with their new teachers completing pre-learning activities in preparation for the new school year.

EYFS News

Oak Class have had a busy few weeks as we round off an action-packed year in Reception. The trip to Skipton Castle was enjoyed by all the children. Skipton castle is a fantastic medieval castle with such a lot to see and to learn. The tour guides had some wonderful stories of life in the castle throughout its history which made for a memorable visit. The children applied their knowledge of castles to a DT project to design and make castles with a range of features of castles such as battlements, drum towers and drawbridges.
